

Hello fellow kayakers!!

I hope you're as excited as I am about the upcoming kayaking season! As we grow and change each year, so have our seasons. This year our first day will be on Saturday, June 26th, from 2-4pm, at the Camp Spencer (Broad Creek Memorial Scout Reservation) outdoor pool. We'll be able to focus on skills in a contained area, and also work on rescues (pools are usually more fun to swim around in because you can see the bottom)!

After Saturday, June 26th, we'll begin on Sundays starting July 11th and go through August 22nd. Please read the attached schedule, with locations included. Each outing will take place from 2:00 - 4:00pm, unless I need to make a change later in the season.

Times, locations, and days are subject to change depending on the weather and life occurrences.

This activity is for people with AND without developmental disabilities who are 18 years old and older. I will accept people who are 15 to 17, but with parent/guardian consent. Everyone must be able to swim and float with a Life Jacket on, and be able to take instruction.

Please wear:

- Clothes & shoes that can get wet
- Sunblock
- Sunglasses
- Hat or something to cover your head

Please bring:

- Towel
- Change of clothes if you prefer
- Sunblock to reapply
- DRINKING WATER!!
- Paddle, Life jacket (PFD), or kayak - if you have your own
- Any items or adaptations that will support you with kayaking better

I'm looking forward to another great season! Please call or email me if you plan on attending, and if you'll need a Paddle, Life jacket (PFD), or kayak.

Thanks!
